for Physical Education and Athletics
at Lansing Christian School

- Gymnasitcs/Cheerleading Mats \$4,000
 - Seven 4' x 12' mats (~\$470 each)
 - Two 4' x 8' mats (~\$390 each)
- Volleyball Uprights \$4,000
 - Three new aluminum uprights
- Basketball Uniforms for 2019-20 \$4,000
 - Boys and girls 6th-8th grades
 - 40 uniforms at \$100 each

\$12,000 total

Rationale:

- Our current gymnastics mats are very old and don't provide good safety for our PE classes or our cheerleaders.
- Our volleyball uprights weigh over 60 lbs each, making them difficult for our students to help ready the nets for PE or games.
- Our soccer and volleyball uniforms have been updated, so it is time to look at basketball. We would like to update all the basketball uniforms at once.
