## Statements of Belief and Purposes

Please initial your understanding of and agreement with each statement:

Lansing Christian School has been established and maintained by an association of parents who believe that it is their duty as Christians to provide Christian education for their children and, believing that this can best be accomplished by concerted action, are committed to Christian training for their children in keeping with the teachings of the Holy Word of God.

\_\_\_\_\_ We believe that God exists in three persons; namely, God the Father who is creator and sustainer of the universe; Jesus Christ, the Father's only begotten Son, who was sent into the world to save sinners who believe in Him and who now rules as King of the holy catholic (universal) church; and the Holy Spirit who was sent as the Christian's comforter, sanctifier and guide.

\_\_\_\_\_ We believe that the Holy Bible is the only infallible and inspired Word of God and that it must be taught and used as the guide for the Christian life, conduct and education.

\_\_\_\_\_ We believe that the Word of God requires Christian parents to make every effort to train their children in the fear and nurture of the Lord and that for this reason the instruction of children in the school, as well as in the home, must be in keeping with the teachings of the Word of God. We believe that we must educate children so that they can become useful servants of their God in His Kingdom and that they can serve as useful citizens of the society in which they live.

\_\_\_\_\_ We believe that the primary responsibility to train children belongs to parents and that our school depends on and belongs to parents. It does not depend on or belong to the church or state, but has as its foundation the unchangeable Word of God, interpreted according to the historic creeds of the Calvinistic churches.

\_\_\_\_\_ We believe we must help our students understand that God summons them to honest worship, moral discipline, and personal holiness and that we must equip them for meaningful service in the kingdom of God.

## Parental Agreements

Please initial your understanding of and agreement with each statement:

\_\_\_\_\_ It is understood that we/I are enrolling our child(ren) in the Lansing Christian School primarily because of our/my earnest desire that our/my children receive a God-centered education.

\_\_\_\_\_ It is understood that our/my child(ren) will be educated in a manner consistent with the beliefs and purposes of the Lansing Christian School.

\_\_\_\_\_ It is understood that we/I will maintain a commitment to, and active participation in, a Christian evangelical church and with our child(ren) regularly (nearly every week) attend worship services.

\_\_\_\_\_ It is understood that we/I (parents) will support, both prayerfully and financially, the school in its efforts to provide education that is distinctively Christian. We/I will seek to maintain an environment in the home that is consistent with the teachings of the school and church, and we/I will seek to maintain the fundamental unity of the home and school.

\_\_\_\_\_ It is understood that the personal conduct of all students must conform to the standards of the school. If disagreement exists, we/I (parents) will have the opportunity to discuss such matters with the faculty, administration and board of trustees.

\_\_\_\_\_ We/I understand that volunteering will be part of participating in the Lansing Christian School community.

\_\_\_\_\_ We/I understand that Lansing Christian School views marriage as the union of one man and one woman. Students from living situations that are not in line with these views will not be accepted for admission.

\_\_\_\_\_ We/I understand that Lansing Christian School views being single as a time where you are not living together with a man or woman who is not your husband or wife. Students from living situations that are not in line with these views will not be accepted for admission. See Marriage Policy in the Parent/Student Handbook.

\_\_\_\_\_ We/I will do all in our power, God helping us, to support what is being done in the school so that our children can develop as a child of the Lord Jesus Christ. Our signature certifies that we have read the above Statements of Belief and Purposes and Parental Agreements, and are in full agreement with them, and want our child(ren) to be educated in this manner.
